

REMARKS

This Amendment under 37 C.F.R. §1.312 is being submitted in response to the Examiner's amendment found in the Notice of Allowance, mailed December 8, 2005. Specifically, the Examiner's amendment included an error in claim 1, line 6, immediately after 'where the' insert, after TWM, "prints", should read imprints. This Amendment under 37 C.F.R. §1.312 includes that correction and also reflects all of the Examiner's amendments found in the Notice of Allowance, including the cancellation of claims 8-19.

Because these corrections are minor and formal, do not involve new matter, and do not in any way affect the nature or scope of the invention, it is believed that they may be entered under the provisions of 37 C.F.R. §1.312 without withdrawing the application from issue.

The Issue Fee has not yet been paid.

Should the Examiner believe minor matters still remain that can be resolved in a telephone interview, the Examiner is urged to call Applicants' undersigned attorney.

Respectfully submitted,
